Display and device technology continues to advance. So do we. Behind the simplicity of our products is a powerful combination of optical science and sheer ingenuity you've come to expect from 3M. Our anti-glare solutions work simply and beautifully on most of today's touch-enabled devices to help protect your screen and improve your view in indoor bright or challenging lighting conditions. Amazing optical technology from 3M diffuses mirror-like reflections to help keep what's on your screen clear and visible, while providing a layer of protection from dust and scratches.

- Diffuses light so your screen is easier to see in challenging and changing indoor lighting conditions
- Helps reduce mirror-like reflections from indoor bright lights
- Lightweight, thin, frameless design
- Gives screens an added layer of durable protection from dust and scratches
- Matte surface cleans easily and hides fingerprints
- High quality, touch-responsive matte surface feels smooth to the touch
- Attaches with optically clear adhesive strips
- 100% hand inspected for quality assurance

### Main specifications:
