Display and device technology continues to advance. So do we. Behind the simplicity of our products is a powerful combination of optical science and sheer ingenuity you've come to expect from 3M. Our anti-glare solutions work simply and beautifully on most of today's laptops to help protect your screen and improve your view in indoor bright or challenging lighting conditions. Amazing optical technology from 3M diffuses mirror-like reflections to help keep what's on your screen clear and visible, while providing a layer of protection from dust and scratches.

- Diffuses light so your screen is easier to see in challenging and changing indoor lighting conditions
- Helps reduce mirror-like reflections from indoor bright lights
- Enjoy a clear screen in brightly lit indoor areas, even near windows
- Lightweight, thin, frameless design
- Gives screens an added layer of durable protection from dust and scratches
- Matte surface cleans easily and hides fingerprints
- Attaches with optically clear adhesive strips or easily removable slide mount tabs
- 100% hand inspected for quality assurance
