The Universal Travel USB Charging Station from Digitus lets you charge all of your devices (notebooks, ultrabooks, convertibles, tablets, smartphones, etc.). It can be used in over 100 countries thanks to the three power cords that are included (EU, US, UK). It features five Qualcomm® Quick Charge 3.0 USB charging ports, one of which can be used to charge an ultrabook or notebook (65 W max.). You can charge all popular brands using the 12 notebook tips that are included. The remaining ports can be used to recharge your other mobile devices quickly and efficiently (tablets, smartphones, cameras, etc.). The charging station's maximum output is 80 W. The perfect companion for the home or office or on the road. A charging station for everything - the ednet Universal USB charging station.

Main specifications:

Performance
