USB-C AT HOME

The USB-C Cable + Home Charger makes it easy to charge your USB-C smartphone or tablet. The 6-foot USB-C cable and robust charger offer 2.1 Amp output for safe, fast charging. What's more, the home charger's USB-A port is universal so can be used with other types of cables to charge smartphones, tablets, wearables or anything that charges via USB-A.

USB-C HAS ARRIVED

Experience all the benefits of USB-C, including the convenient reversible connector, that make it easy to plug in anytime, anywhere.

2.1A UNIVERSAL CHARGING

The charger connects to your USB-C device using its USB-A port. This universal device-friendly port accepts other cable types so it's easy to connect and charge other devices too. With 2.1 Amps available, use it to charge smartphones, tablets, wearables, or anything that connects via USB-A.

MULTI-TALENTED CABLE

The sturdy, 6-foot USB-C cable is perfect for at-home charging. The longer length cable reaches easily from your wall outlet to a desk, nightstand or other location. With the capacity to support charging up to 2.1 Amps, it can also be used to connect with other USB-A ports, such as an in-car charger. What's more, with data transfer support up to speeds of 480 Mbps, it's ideal for connecting your USB-C device to a laptop or computer.
