Exceptional audio clarity for optimized calls and listening to music

Put on the Dell Pro Stereo Headset - UC350 and experience exceptional audio clarity whether you're on a conference call or listening to your favorite music. Enjoy optimized in-person call quality and music clarity with HD wideband voice and a dynamic equalizer.

UC350 works with most major unified communication platforms, and is Microsoft® Skype® for Business certified. Enhanced voice with built-in noise cancelling mic

The Dell Pro Stereo Headset - UC350 features a built-in noise cancelling mic, so that only your voice will be picked up and not the surrounding background noise. Comfortable leatherette ear cushions offer passive noise reduction, eliminating high frequency ambient noise.

Connect your smartphone or tablet to make calls or play music

Detach the 3.5mm jack from the control unit and plug it into your smartphone or tablet to make calls or play your favorite music.

Easy call management

A control unit lets you conveniently manage call functions with the touch of a button. You'll be able to pick up calls, hang up, and control volume and mute functions with ease.

Quick setup with plug and play

Get started right away with plug and play without needing to download any software. Simply plug in the headset and call in to your next meeting.

Enjoy peace of mind

Tested and certified on Dell systems, the Dell Pro Stereo Headset - UC350 comes with Microsoft® Skype® for Business, so you can rest easy, knowing your new headset meets the highest specifications in the industry.

Experience exceptional audio clarity while you're on a call or listening to music with the Dell Pro Stereo Headset - UC350, certified for Microsoft® Skype® for Business. Enjoy optimized in-person call quality and music clarity with HD wideband voice and a dynamic equalizer. A built-in noise cancelling mic picks up only your voice and eliminates background noise. The most used call functions will be at your fingertips with the included control unit. You'll be able to pick up calls, hang up, and control volume and mute functions with ease. Get started right away with plug and play, without needing to download software. Enjoy peace of mind knowing the headset is tested and certified on Dell systems.
