Lightweight keyboard designed for your Latitude 7285, with built-in battery for increased productivity

The Dell Latitude 7285 Productivity Keyboard - K17M is portable and convenient. This keyboard easily attaches to your 2-in-1 via magnetic hinge so you can get to work comfortably typing at home, in the office or on the go. Plus, relax knowing a second 22Whr battery housed in the keyboard provides an extended battery life.

Transform between laptop, tent and slate modes

Choose how you want to work-in laptop, tent or slate mode-and seamlessly transition from one mode to the next thanks to a magnetic hinge.

Comfortable and natural typing

The Dell Latitude 7285 Productivity Keyboard is adjustable so you can type flat or at your preferred angle up to 125 degrees. It is comfortably sized, with well-spaced keys for a natural typing experience. The backlit keys allow you to type in any lighting condition so you can be productive night or day. A high-precision, Image Sensor Touchpad gives you control similar to that of a mouse so you can work quickly and accurately.

Carry on-the-go with ease

Thin and lightweight, fold the Dell Latitude 7285 Productivity Keyboard to protect your screen and take it to your next meeting.

Compatibility

The Dell Latitude 7285 Productivity Keyboard is compatible with the Dell Latitude 7285 2-in-1 laptop.
