Travel '1st class' with BACKPACK PRO. The backpack reliably accompanies you everywhere and meets the highest standards of quality, functionality and protection: fitall system holds notebooks of various sizes, anti slip technology ensures your notebook does not slide and the light and particularly shock-absorbent EVA frame protection offers top-quality protection for your device.

The fitall system separating wall in the notebook compartment lies protectively across your notebook and fits automatically to sizes from 15-17.3". The perforated and thus light EVA foam material in the sealable notebook compartment perfectly protects the edges of your device with a remarkable saving in weight. The anti-slip tech coating ensures perfect grip for your notebook in the compartment and the adjustable padded shoulder strap. Excellent protection for your iPad® or tablet thanks to the EVA-shaped compartment with extra-soft nyllex inner lining. Generous storage space for printer, projector and documents in the expandable compartment and in the zip compartment. The front pocket with key fob and insert pockets allows you to organise your personal equipment and provides space for additional mobile accessories. Highest wearing comfort thanks to ergonomic back padding, adjustable shoulder straps, comfortable handle shape and trolley fastening strap. Hidden zip compartment for IDs. Bag bottom made from waterproof material- DICOTA's attention to detail makes this bag one of your most reliable business partners!
