Your 13-14.1" notebook is optimally protected with high density foam padding. The spacious main compartment is divided so that documents and accessories can be stored separately. The front pocket with practical workstation allows you to organise your personal items with holders for items such as mobile phone, pens and business cards. The easily accessible side mesh pockets provide space for an umbrella or bottle. So all your important things are handy at all times. The shoulder straps are adjustable. Thanks to the ergonomic padding, the backpack is comfortable on the back - the smart case from the lightweight class!

### Main specifications:
