Plenty of room in the spacious main compartment for documents and accessories. Cables can be stored in a compartment in the front pocket where you can also place accessories such as pens or mobile phone in the designated compartments. To ensure that you keep going on your journey throughout the day, it has side pockets for umbrella or water bottle and a perfect fit rain cover. For when the rain is pouring the backpack is equipped with a rain cover that is stored in a hidden pocket on the bottom of the bag. Just pull it out and put it over the bag and your belongings are safely protected from moist.

- Removable notebook case with HDF (High Density Foam) protection
- Hidden and removable rain cover
- Side pockets for water bottle or umbrella
- Workstations for accessories in front pocket
