The Backpack ACTIVE is characterised by high-quality materials and sophisticated details. The spacious main compartment offers plenty of space for sports gear, documents and other mobile accessories. You can rest assured that your mobile companion will be perfectly protected thanks to a slip pocket for tablets measuring up to 10.1". The front compartment with key fob and slip pockets will keep everything tidy and provides the perfect place to store your personal items. Your drinking bottle and umbrella can be stored in a space-saving fashion in the outer pockets, while the compression straps on both sides can be used to compress the backpack, creating a more compact solution. Another highlight is the security pocket which has been invisibly sewn into the breathable rear padding. It's the perfect place to safely store your valuables out of the reach of pickpockets.
