Convert the SV10 Laptop Cart to hold a tablet. Compatible with most tablets, regardless of screen size or chassis thickness. The Easel bracket's width and height adjust to grip the tablet. Attach the Easel to the Riser arm, which places the tablet at a convenient height to free up the cart's worksurface.

- Allows conversion of SV10 Laptop Cart to hold a tablet
- Simple installation process
- Tablet can be easily placed in or removed from Easel
- Tilt the tablet to your preferred input position-work with screen angled vertically, horizontally or anywhere in between
- For a secure tablet installation, replace the Easel with the Lockable Tablet Mount (45-460-026), which can fasten to the Riser using security screws
