Process complex files, support PostScript, PDF, TIFF, and JPEG files, and create emulations of PANTONE\* colors. Simplify and speed up your printing experience with the HP Designjet PostScript®/PDF Upgrade Kit, which includes HP Instant Printing Pro.

Customers that frequently print PostScript, PDF, TIFF, and JPEG files.

### Features

Do more with your printer and accommodate large, complex files with this accessory. Easily work with sophisticated applications. And even large PostScript, PDF, TIFF and JPEG files travel swiftly over the network without complication.

The HP Designjet PostScript®/PDF Upgrade Kit comes with HP Instant Printing Pro, which simplifies and streamlines your workflow in a variety of different ways.

Easily and effectively manage and match PANTONE\* colors with HP Professional PANTONE Emulation. Create prints emulating solid PANTONE\* colors that are optimized for this printer and your choice of media.
