Goodbye add-ons, extras, and optional features. The HP t730 Thin Client, HP's most powerful desktop thin client, is ready to deploy in demanding environments right out of the box with an AMD quad-core processor, maximum interfaces, OS and ISV choices, and native support for 4 UHD/4K2 displays.

Premium performer
- Harness the power of AMD's latest generation quad-core1 APU with Turbo Core technology that can throttle CPU action and kick it up to 3.6 GHz to run full VDI and local applications and render video to four displays.

Expand your view with quad displays
- Create an efficient multi-monitor workspace with DisplayPort connections for up to four UHD/4K2 displays, or six displays with the discrete graphics card. Now you can enjoy a high pixel count, serious sharpness, and eye-popping details every day.

Integrated software sweetens the deal
- Streamline deployments, enhance the user experience, and enable smooth device management with HP's exclusive thin client software: HP Device Manager, HP Velocity, and HP Easy Shell.

Plan ahead with expansive I/O connections
- Support your business now and in the future with serial, parallel, PS/2, and USB ports plus a PCI Express x4 low profile expansion slot.

Main specifications:

Processor
Processor frequency:	2.7 GHz
Processor cores:	4
Processor boost frequency:	3.6 GHz
L2 cache:	4 MB

Memory
Internal memory:	8 GB
Internal memory type:	DDR3L-SDRAM
Memory clock speed:	1600 MHz
Memory layout (slots x size):	2 x 4 GB

Storage
Total storage capacity:	32 GB
Storage media:	Flash
Card reader integrated:	N

Audio

Built-in speaker(s): Y

Networking
Wi-Fi: N
Ethernet LAN: N

Ports & interfaces
USB 2.0 ports quantity: 6
USB 3.0 (3.1 Gen 1) Type-A ports quantity: 4
Headphone outputs: 1
Microphone in: Y
DisplayPorts quantity: 4
Serial ports quantity: 2
PS/2 ports quantity: 2

Design
Colour of product: Silver

Display
Display included: N

Software
Operating system installed: Windows Embedded Standard 7P
Operating system architecture: 64-bit

Power
Power supply: 85 W
AC input voltage: 100-240 V
AC input frequency: 50/60 Hz

Certificates
Energy Star certified: Y
EPEAT compliance: Gold

Weight & dimensions
Weight: 1800 g
Width: 221 mm
Depth: 67 mm
Height: 240 mm

Packaging content
Keyboard included: Y
