Manage your business from the store floor to the back office and all points in between with the HP MP9 Retail System, a super-compact, flexible powerhouse platform that is deployable wherever your retail demands.

Designed for everything you demand

Get the performance you need with your choice of familiar Windows operating systems, 6th generation Intel® processors, Intel® HD 530 Graphics, and a range of storage options.

One-for-all, everywhere

Standardize your business on a high-performance platform packed into HP's smallest full-powered retail design. A range of ports and optional mounting solutions enable accessory expansion and positioning virtually anywhere.

Maximum uptime

Focus on your business with software and hardware features that simplify serviceability. Remotely manage your systems from one console with Intel® vPro AMT (select processors). Get easy access to internal components with a single thumb screw.

Ready for the wear and tear

Confidently deploy a solution that keeps its cool with unique temperature control technology and is designed to pass HP's Total Test Process and MIL-STD 810G. It's also backed by a three-year limited warranty and optional HP Care Pack.

Up to the challenge

Meet-and exceed-your business needs with 6th generation Intel® Core vPro processors with the Intel Q170 Chipset, integrated Intel® HD 530 Graphics, and up to 32 GB DDR4 memory. Then select your M.2 PCIe SSD or SATA HD storage-up to 2 TB.

Choose your OS

Go with the Windows or FreeDOS operating system you know and trust.

Maximize your productivity

Add a display-or two or three-a keyboard, mouse, cash drawer, barcode scanner, printer, and more8 with two DisplayPort connections, six USB 3.0 ports, one USB Type-C, and audio inputs. Get network connectivity from an RJ-45.

Make it yours

Build a perfectly efficient point of sale, kiosk, digital signage or back office solution with a selection of mounting and

security accessories.

Be secure

Help protect your data and hardware with HP BIOSphere with Sure Start, the industry's first self-healing BIOS, and options that secure your device to a fixed location.

Main specifications:

Processor

Processor frequency:	2.9 GHz
Processor family:	Intel Pentium
Processor cores:	2
Processor cache:	3 MB
Processor threads:	2
System bus rate:	8 GT/s

Memory

Internal memory:	4 GB
Internal memory type:	DDR4-SDRAM
Maximum internal memory:	32 GB
Number of memory slots:	2
Memory slots type:	SO-DIMM
Memory clock speed:	2133 MHz

Storage

Total storage capacity:	128 GB
Storage media type:	SSD
Solid-state drive capacity:	128 GB
Solid-state drive interface:	Serial ATA

Graphics

Graphics adapter manufacturer:	Intel
Maximum graphics adapter memory:	1700 MB

Multimedia

Built-in speaker(s):	N
Audio system:	DTS Studio Sound

Networking

Ethernet LAN:	Y
Ethernet LAN data rates:	10,100,1000 Mbit/s

Ports & interfaces

Ethernet LAN (RJ-45) ports:	1
USB 3.0 (3.1 Gen 1) Type-A ports quantity:	6
VGA (D-Sub) ports quantity:	1
DisplayPorts quantity:	2
Line-out:	Y
Microphone in:	Y
DC-in jack:	Y

Design

Colour of product:	Black
--------------------	-------

Software

Operating system installed:	Windows Embedded POSReady 7
Operating system architecture:	64-bit

Certificates

Energy Star certified:	Y
------------------------	---

Weight & dimensions

Width:	175 mm
Depth:	34 mm
Height:	177 mm
Weight:	1300 g

Security

Cable lock slot:	Kensington
------------------	------------
