Protect your bag's contents while you're on the move with the HP Executive Backpack, which has a lockable, double-teeth zippered notebook compartment, secure RFID pocket to safeguard your ID, and a discrete pocket for the optional HP TrackR Device.

Features

Seriously secure

- Arm yourself against electronic pick-pocketing with the RFID-shielded pocket. Deter tampering and access to your notebook with the lockable double-teeth zipper.

Never lose your bag again

- Keep track of your bag and belongings with the optional HP TrackR Device, which fits neatly into a discrete pocket and enables device tracking your phone through a Bluetooth® connection.

Pack it all in

- Carry your ultra-slim notebook up to 15.6" diagonal, tablet, phone, papers and more with a padded compartment and plenty of pockets in a slim design with minimal bulk. The top zip closure and exterior pocket give you easy access to everyday items.

Comfort is key

- Throw the bag across your chest to keep your hands free, or carry by hand with the double handles. Commuting and traveling are easier than ever with a luggage pass-through that fits over the handle of most rolling suitcases.
