Experience easy, accurate content creation, data entry, and collaboration in and out of the office with the full-sized, aluminum-accented HP Pro x2 Collaboration Keyboard, designed for your HP Pro x2 612 G2.

Full-speed productivity

Enjoy complete productivity for your daily tasks with a full-sized backlit keyboard and touchpad that has thin and light scissor keys for efficient typing.

Ready to collaborate

Conduct virtual meetings and Web calls with dedicated keys that control common video and call functions such as answer, hang up, volume, and presenting.

Stylish, sturdy design

Help protect your device's screen when you fold in the DuraKeys-coated keyboard, which also cues sleeps mode to conserve battery life. The key coating and a sturdy aluminum deck resist everyday wear and tear.
