Live on the Edge

An entirely new design with Pressure Sensitive Buttons, a new touch feedback experience and intelligent, interactive edges lets you do even more things with one hand. The highest-rated dual camera set upi. The best audio on earbuds and speakers. The latest Snapdragon 845 Mobile Platform that is in every HTC U12+ will shatter your expectations.

Freedom to use either hand

The next generation of Edge Sense offers more useful features and now even knows which hand you are using, giving you true one-handed freedom for either hand.

The highest-rated dual camera set up in the industry!

Once again, we are bringing you a camera that the experts at DxOMark endorse. Your photos will be amazing and your videos with immersive audio will stand out from the crowd.

Dual cameras. Front and back

With 4 cameras, HTC U12+ delivers outstanding quality imaging and opens up whole new worlds for artistic creativity.

Best and brightest sound. Inside and out

HTC U12+ delivers sound unlike anything you've ever heard before whether on HTC USonic earbuds or the HTC BoomSound Hi-Fi edition speaker system. Once you hear it, you won't want to go back.

Once again pushing the limits of design

HTC U12+'s design showcases an even more artistic representation of liquid surface featuring vibrant colors that are unlike anything you've seen.

Commanding performance

HTC U12+ delivers performance that will leave you breathless. A phone that isn't afraid of getting wetx. More memory and better connectivity for faster speeds. The latest and most powerful chipset and much more.

Main specifications:

Display
Display diagonal: 6 "
