HP ProLiant DL320e Gen8, a single-socket 1U rack server, delivers affordable and yet powerful performance while providing essential features for varied computing needs. It is ideal for enterprise data centers and service providers requiring a low-cost server to run single dedicated/IT applications, web and edge-of-network applications.

Affordable, Powerful and Flexible to Meet Your Varied Computing Needs

• Offers a range of processor options to meet your varied computing needs, including the latest Intel Xeon E3-1200 v2 product family processor technology, up to 3.7GHz, 4 core.

Maximize System Uptime with Built-in Gen8 Technologies

• HP SmartMemory prevents data loss and downtime with enhanced error handling while improving workload performance and power efficiency.

Unlock your Infrastructure's Potential with HP's Easy-to-Use Integrated Management and Support

• HP iLO Management Engine is a complete set of embedded features, standard on all ProLiant Gen8 servers. Includes HP iLO, HP Agentless Management, HP Active Health System, HP Intelligent Provisioning, and HP Embedded Remote Support.

Energy Efficiency for Power Savings and a Green Environment

• Standard power supply provides 85% efficiency while redundant power supply options provide up to 94% efficiency (Platinum Plus). The redundant power supply options support HP's Power Discovery Services.

Main specifications:

Processor

Motherboard chipset:	Intel C204
Processor socket:	LGA 1155 (Socket H2)
Number of processors supported:	1
Processor family:	Intel
Compatible processor series:	Intel Pentium G
Intel Xeon series:	E3-1200

Memory

Number of DIMM slots:	4
Supported memory types:	DDR3-SDRAM
ECC:	Y
Maximum internal memory:	32 GB

Storage

Hot-swap hard drive bays:	Y
Number of storage drives supported:	8
RAID levels:	0,1,10
Supported storage drive interfaces:	Serial ATA
Storage drive sizes supported:	2.5 "

Networking

Ethernet LAN data rates:	10,100,1000 Mbit/s
--------------------------	--------------------

Ports & interfaces

Ethernet LAN (RJ-45) ports:	2
-----------------------------	---

Design

Form factor:	1U
--------------	----

Weight & dimensions

Width:	434.6 mm
Depth:	699 mm
Height:	43.2 mm
Weight:	16200 g
