Honeywell's Dolphin® 99EX mobile computer provides extreme durability, cutting-edge wireless technology, user-friendly ergonomics and multi-functional data capture for front-line workers operating in both indoor and outdoor environments. Purpose-built for transportation and logistics applications, the 99EX was designed to take mobile worker productivity to a new level while helping to reduce operating costs. The industrial Dolphin 99EX mobile computer has superior durability and fast and reliable wireless connectivity.

Remote MasterMind® Ready

Reduces total cost of ownership by providing a turnkey remote device management solution that easily manages and tracks usage of installed devices

Superior Durability

Incorporates an IP67-rated design that withstands multiple 6 feet drops to concrete and 2,000 1 meter tumbles, resulting in a lower total cost of ownership and decreased downtime for mobile professionals

Shift-PLUS Power Management

Enhances productivity by powering real-time wireless and multi-media applications continuously for a full shift, eliminating the need for employees to carry spare batteries or chargers

Adaptus® Imaging Technology 6.0

Enables multi-functional data capture by providing fast scanning of linear and 2D bar codes with excellent motion tolerance, as well as digital image and electronic signature capture

Fast and Reliable Wireless Connectivity

Features leading wireless technology, including a software-definable radio that allows on-the-fly switching between GSM and CDMA networks, as well as 802.11n Wi-Fi, enabling faster and more reliable connections, and lower device provisioning and deployment costs

Optimal Combination of Performance and Usability

Improves ease of use and worker efficiency with a large, outdoor-viewable screen, multiple keypad options, a super fast CPU and smart sensors

Optional Remote MasterMind® Software Package

Extends mobile workforce capabilities and reduces total cost of ownership by providing a turnkey remote device management solution

Optional Service Made Simple Service Plans

Offers comprehensive, hassle-free protection on the device investment for up to five years after purchase
