Enjoy the clearest quality calls wherever you happen to be. Jabra Motion is designed for comfortable all-day use and performs under any conditions.

Superior sound

Get best-in-class sound quality. Built-in motion sensor and advanced microphones adapt the sound to your surroundings. Enjoy crystal clear, high-definition calls even in noisy or windy conditions.

All-day comfort

Get maximum comfort with a behind-the-ear design and flexible materials that hug your ear. Find the perfect fit by adjusting the speaker and flipping it to fit either ear.

Smart motion sensor

Answer calls by simply picking up the headset. When lying still, the motion sensor activates a "Power Nap" mode to save battery. Lift the headset, and it's ready to go again.

Intuitive Flip-boom

Turn the headset off or on by simply folding or unfolding the flip-boom.

NFC for Easy Pairing

Pair effortlessly with your NFC-enabled device by simply tapping the Jabra Motion to it.

Voice Guidance & Control

It tells you how to connect with your phone, who is calling, and your battery status. Pick up and initiate calls using just your voice.
