Professional sound. The way you want to wear it.

The three-microphone technology creates a unique talk-zone, making sure you are heard, while other nearby voices are filtered out. With an around-the-neck, wireless earbud design.

Featuring battery technology similar to that found in your smartphone. It fully charges in just two hours, and that charge provides up to 14 hours of battery life

Calls and music that lasts as long as you need it. All day long.

Powerful at work. Fully concentrate, whatever the noise around you.

Focus with Active Noise Cancellation, and an integrated busylight lets colleagues know you are not to be disturbed

Smart controls for work and play

Five buttons for quick control of calls and music, including a smart button for one-touch access to Siri® and Google Now, and a vibrating neckband to give silent notifications.

Multiple fitting options.

Personalized fit for an improved experience. Multiple fitting options for gels and EarWings give amazing comfort throughout the day
