Beautiful Screen for Pure Enjoyment

Work, play, or just tap away on the Tab3 7 Essential's beautiful 7 inch high-resolution (1024 x 600) IPS display. IPS technology makes it easy to share what you're viewing with friends, and with an ultra-thin, high-transparent touch screen, every image appears closer, clearer, and sharper.

Two Great Cameras

With the Tab3 7 Essential you have the choice of two cameras to capture all your memories. Use the 0.3 megapixel Visio front camera for perfect sharable selfies and web chatting with your friends, and the 2 megapixel rear camera to capture brilliant images and videos.

Always There for You

Fuelled by a 3450 mAh battery, this pocket-size tablet offers up to 10 hours of battery on a single charge. Now you can enjoy uninterrupted binge-watching, gaming, or social media without recharging.

Satellite GPS and Optional 3G

Never get lost with built-in satellite GPS that works offline. 3G models are also available for a truly mobile experience.

Dolby® Audio

Dolby® audio enhancement allows louder, more natural, distortion-free sound - whether you're listening through headphones or the tablets stereo speakers.

Quad-Core Processing

Powered with a MediaTek® 1.3 GHz quad-core processor, the Tab3 7 Essential is ideal for multitasking, delivering a smoother Android experience and eliminating stutter when playing games or watching HD video.

Up to Android 5.1, Lollipop

With the latest version of Android, get ready for a faster, smoother, and more powerful performance. You'll find it easier to stay in the loop, interact with others, and even manage battery power. You can also better safeguard your Tab3 7 Essential, and access your favorite apps and games at the Google Play Store making life that much sweeter.
