Visio Professional 2016 allows individuals and teams to easily create and share data-linked diagrams that simplify complex information.

### Easily create advanced diagrams

Microsoft Visio Professional 2016 makes it easier than ever for individuals and teams to create and share professional, versatile diagrams that simplify complex information. It includes all of the functionality of Visio Standard 2016 as well as updated shapes, templates, and styles; enhanced support for team collaboration, including the ability for several people to work on a single diagram at the same time; and the ability to link diagrams to data.
