636.50 €

* VAT included

Choose from three primary editions of Windows Server, based on the size of your organization as well as virtualization and datacenter requirements. Windows Server 2016 Datacenter includes unlimited virtualization rights plus new features to build a software-defined datacenter. Windows Server 2016 Standard offers enterprise-class features with limited virtualization rights. Windows Server 2016 Essentials is an ideal cloud-connected first server.
