Mobile workers inside and outdoors all have one thing in common: in order to achieve maximum efficiency, they need on-the-go access to business information. Since business needs are always changing and mobile technologies are ever-evolving, choosing a mobile computer that can keep up is challenging. Introducing the Workabout Pro 4, the mobile computer with the flexibility you need to meet your requirements, today and tomorrow. Buy the features you need now, yet easily add practically any feature you can imagine, whenever you want - right in your own facility. Start with Wi-Fi and add WWAN. Swap scan engines to support new types of bar codes. Swap end caps to support voice picking applications. Add a high-resolution camera to document proof of delivery. Add support for almost any type of RFID tag, or choose from a wide variety of ready-to-use modules from our partners to add highly-specialized features. And since the Workabout brand has been serving businesses for over 20 years, you can choose the Workabout Pro 4 with confidence. Every day, Workabout Pro mobile computers help all types of enterprises around the world improve workforce productivity and customer service. The Workabout Pro 4. The mobile computer with virtually limitless options, ready for any job.

Impressive modularity for an extraordinary life cycle and a low TCO

The Workabout Pro is built using modular design principles, enabling you to choose the features you need today and upgrade almost all key features tomorrow by simply changing the modules. Add a new scan engine; a camera; LF, HF or UHF RFID as well as Wi-Fi, cellular and GPS, plus a wide variety of additional options available through our partners.

Boost productivity with superior application performance

With triple the Flash, double the RAM and almost double the processing speed of the prior generation, you get extraordinary performance on all applications.

The fastest wireless connections

Whether your workers are using the Wi-Fi or cellular wireless network, with support for 802.11a/b/g/n and HSPA+, they can count on the fastest speeds possible.

A high-resolution color 8 MP camera for a world of new applications

With the ability to take sharp, detailed photos, workers can capture indisputable proof of delivery, document damaged product, confirm repair completion and obtain on-the-job assistance from a remote product expert or assistance ordering the right parts.

Comprehensive support for speech-enabled applications

Supports speech-enabled applications, boosting productivity and accuracy in warehousing applications.

Industry leading scanning performance on virtually any bar code

Four powerful scan engines are available to meet virtually any scanning need and can capture even damaged and poorly printed codes on the first scan.

Built to handle all day use - indoors and outside

With a robust 6 ft./1.8 m drop specification, wide operating temperature and IP65 sealing, the Workabout Pro 4 can survive drops on concrete, heavy rain, freezing cold and more - the rugged durability you need for workers who spend the day in the field or outdoor yards.

An easy-to-read display in every lighting condition

The large bright screen is just as easy to read inside as well as outdoors in bright sunlight, with plenty of space to present the data workers need to get the job done.

The flexibility to choose the right model for every job

Choose the size that best fits the job as well as each worker - short or long. Workers can easily attach a pistol grip to bring comfort to scan intensive tasks, such as inventory cycle counts.

Backwards compatibility with accessories

All of your existing Workabout Pro charging accessories and a majority of the partner modules will work with the Workabout Pro 4, allowing you to easily and cost-effectively upgrade to the latest mobile technologies.

Main specifications:

Display

Display diagonal:	3.7 "
Display resolution:	640 x 480 pixels
Touchscreen:	Y

Memory

Internal memory:	512 MB
Internal memory type:	RAM
Compatible memory cards:	MicroSD (TransFlash)
Flash memory:	4000 MB

Processor

Processor frequency:	1000 MHz
----------------------	----------

GPS Performance

GPS (satellite):	Y
------------------	---

Software

Operating system installed:	Windows Embedded
Bundled software:	Internet Explorer 6; Wordpad; ActiveSync

Wireless LAN features

Wi-Fi:	Y
Wi-Fi standards:	802.11b,802.11g,802.11n
Security algorithms:	104-bit WEP,40-bit WEP,EAP-TLS,EAP-TTLS,MSCHAPv2,WPA,WPA2

Data transmission

Bluetooth:	Y
Data network:	HSPA+,UMTS
Bluetooth version:	2.0+EDR

Camera

Built-in camera:	Y
Auto focus:	Y
Built-in flash:	Y
Video recording:	Y

Operational conditions

Storage temperature (T-T):	-40 - 60 °C
Operating relative humidity (H-H):	5 - 95 %
Operating temperature (T-T):	-20 - 50 °C

Power

Battery technology:	Lithium-Ion (Li-Ion)
---------------------	----------------------

System requirements

Compatible operating systems:	Microsoft Windows Embedded CE6.0Microsoft Windows Embedded Handheld 6.5
-------------------------------	---

Weight & dimensions

Weight:	526 g
Width:	100 mm
Depth:	42 mm
Height:	223 mm
