- Black Metal Compact Cash Drawer with Euro/Canada till
- Includes a 4 bill compartment and an 8 coin cup till, and six (6) keys.

The 2186 Compact Cash Drawer includes features such as multifunction locks and drawer status reporting usually found in more expensive cash drawers. The 2186 is a cost effective choice that doesn't compromise quality or dependability.

- Robust steel construction with rust resistant bonderized finish
- Roller Bearing - The roller bearing suspension system provides long lasting performance.
- Latch Ejection Mechanism - Tested over one million cycles to ensure a longer lasting drawer.
- MultiPro ® Interface - This interface not only adapts to NCR's POS solutions but other competitor's POS platforms as well.
- Intermittent-duty Solenoid with a fly-back diode
- Drawer-sensing Switch to signal back to host when the cash drawer is open.
- Dual Media Slots
- Stainless Steel front plate
- Till options: 5 bill and 5 coin compartments / 4 Bill and 8 coin compartments
- High capacity, adjustable coin cups
- Removable till/insert
- Optional lockable medal till lid
- Plastic bill clips
- Two media slots
- 24 volt interface
- 3 position key lock (lock, operate and manual open). Standard lock is #235.
- Cash drawer micro-switch to sense drawer open status
- A 5-foot long cable with an RJ45 modular plug at one end connects to the drawer. The other end is terminated with the proper connector to interface to the terminal.
- All drawers include cable and appropriate till. Till lids are not included with any drawer.
