The NewStar tablet deskstand, model TABLET-D200BLACK, anti-theft tablet bracket with lock, is designed for secure display purposes in the public. The width adjustable panel allows to install iPad 1/2/3/4/Air, most 9.7"-10.1" Galaxy and other tablets.

This mobile stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. This stand stretches your investment by serving a variety of projection needs by sharing a tablet over multiple rooms, sales floors or trade shows. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location.

NewStar TABLET-D200BLACK is lockable and turns -70°~+70° freely tilt and 360° rotate for multiple viewing angle.

Height: 220.5 mm. Detachable holder for wall installation with included wall adaptor. The weight capacity of this product is 5 kg. Internal cable routing.

All installation material is included with the product.
