Drive documentation productivity - all by voice.

Put your voice to work to create reports, emails, forms and more with the all-new Dragon Professional Individual, v15. With an all-new, next-generation speech engine leveraging Deep Learning technology, dictate and transcribe faster and more accurately than ever before, and spend less time on documentation and more time on activities that boost the bottom line.

Dictate, edit and format documents quickly and accurately by voice using the included wireless Bluetooth headset.
