- Ultra thin glass screen protectors for iPhone 5/5s/SE and iPhone 5c for hardcore, anti-shatter protection you can't see
- Premium display clarity worthy of protecting your iPhone's touchscreen
- Reactive-touch technology responds as quickly as you can - game on
- Custom-fit to your iPhone 5/5s/SE and iPhone 5c
- Available in sizes to fit your iPhone with or without an OtterBox case
- Included tool kit for simple and precise installation

Alpha Glass screen protectors for iPhone 5/5s/SE and iPhone 5c deliver premium touchscreen protection against scratches, dings, “oh no" moments and unidentified objects floating around purses and pockets. The anti-shatter design defends your iPhone screen's honor, while reactive touch technology retains your display's sensitivity - a dynamic duo. Not to mention the easy installation and crystal clear screen experience. The Alpha Glass line is precision cut to fit a variety of OtterBox cases. You don't prefer a case, you say? These glass iPhone 5/5s/SE and iPhone 5c screen protectors are also available in a stand-alone option that still gives you hardcore screen protection without an OtterBox case. Whichever you choose, your touchscreen is equipped for action with phenomenal protection.

- Flawless Clarity: Maintains pristine display quality
- Reactive Touch: Retains your touchscreen's responsiveness
- Anti-Shatter/Scratch: Fortified to avoid splintering and shattering
- Precision Application: Tools included for simple application
- Available to fit devices equipped with or without OtterBox cases
