PNY Expand Car Vent Mount allows you to use your smartphone in complete safety while driving. The robust clip of PNY Expand Car Vent Mount attaches easily to your vehicle's ventilation grille. 360° rotation enables you to change between portrait and landscape mode - extremely practical when navigating. The extension function makes it compatible with a wide range of smartphones.

PNY's new range of cable car charger are designed to procure fast and safe charging to your Micro-USB device. Thanks to its 1.2m cable you won't be stuck with short and entangled cables. It features a free USB output to plug in any USB cable you want. Featuring FastID Technology they will be able to adapt and deliver the fastest charging speed possible.

Main specifications:

Performance

Charger type:	Auto
Charger compatibility:	Smartphone
