These powerful 6-line entry-level Business Media Phones are for today's cubicle workers that handle a low to moderate volume of calls and need crystal clear communications.

Give your cubicle worker the best experience with this high quality UC Business Media Phone. Designed for a broad range of environments for small and medium businesses.

- Make more efficient and productive calls with the unparalleled voice clarity of Polycom HD Voice
- Improve productivity for cubicle worker's and call center operators through an intuitive easy to use user interface
- Reduce deployment and maintenance costs-the Polycom Zero Touch Provisioning and web based configuration tool makes the VVX 300 simple to deploy, easy to administer, upgrade, and maintain
- Leverage previous IT infrastructure investments-deploy VVX 300 business media phones on your existing network without needing to upgrade your call control platform
- Easily to integrate with third- party web-based UC and productivity applications for broad, standards based, open APIs
