A backpack who combining the characteristics of a backpack and a trolley. It offers an ideal protection for your 15.6" laptop thanks to a foam reinforced bottom. Your tablet will find its place in the pocket which is specially dedicated to her. To protect your back from the wheels when using the Manhattan in backpack mode a foam flap is integrated. . The double front pocket allows you to slip in it all your accessories, A4 documents and keep a permanent access to them. your power adaptor will stay safe in dedicated compartment. Our Manhattan backpack will offer you a better capacity than the previous Manhattan backpack, you can carry all your things. An integrated telescopic handle is composed of two sections to high-strength aluminium. Two silent ball bearing wheels allow you to go unnoticed.
