A backpack designed to carry and protect your 15.6" laptop thanks to a high density foam in the back. Your tablet will find its place in the pocket which is specially dedicated to her. The anti-perspirant ergonomic back of the bag and the adjustable waist strap provide optimum comfort. The double front pocket allows you to slip in it all your accessories, A4 documents and keep a permanent access to them. The raincover will keep your laptop your documents safe from the water while the heavy duty ballistic nylon fabric associated with a traditional leather good finish will make it last long. your power adaptor will stay safe in dedicated compartment. Our Manhattan backpack will offer you a better capacity than the previous Manhattan backpack, you can carry all your things.
