A trolley case designed to carry and protect your 15,6" laptop with a polyethylene frame providing strength and reinforcement. A large compartment for your personal belongings separated from the notebook compartment ensure than your professional and the private items do not mix while on the go. Your tablet will find its place in the pocket which is specially dedicated to her, Your A4 documents and accessories will find place in dedicated pockets. The front and rear pockets allow you a quick access to airplane tickets, ID papers etc... The integrated telescopic handle is composed of three sections of high-strength aluminium. Two PVC wheels of 8 cm diameter with high end silence ball bearing ensure a fluid and silent movement.
