Product is discontinued. You can not order it anymore.

Lurking in the shadows, you are biding your time; and time has come to fight. Designed for FPS and RTS players as an extension of their own body, Arokh Y-2 will adapt to your gameplay style without you even notice. Thanks to its deep and numerous customization possibilities you will be able to take your skills up to the next level. Adjust your mouse sensibility on the fly, program your own buttons and shortcuts, set acceleration and prediction at your own convenience and tune its weight for optimal comfort. Losing is not an option anymore.

- 7 buttons & setup software
- High precision optical sensor
- From 750 to 3500 DPI resolution
- Comfortable lightweight ergonomic design
- Customizable weight for optimal precision
- Customizable gaming profiles & 32 LED colors
