Entirely New POS System

The IMPREX® PRIME is a whole new generation of high-end all-in-one POS system, featuring innovative design, stylish look, robust performance, maximum reliability, superior expandability and advanced manageability to meet today's challenges in the retail and hospitality environments.

Highlights

- Stylish, innovative, real all-in-one design to enhance store image.
- Robust performance to run latest business applications.
- Maximum reliability ensuring years of dependable operation.
- Optional peripherals and multiple I/O ports to meet changing business requirements.
- Advanced manageability to lower cost and minimize downtime.

Innovative Stylish All-in-One Design

The layout of a store can be crucial, and the POS system is at the heart of it. How the POS system looks is as important as what it can do for both business owners and customers. With innovative all-in-one system, the IMPREX® PRIME does just that. There is no need to decide what to have around it. And its stylish look can enhance store image and make your business more appealing.

Robust Performance

Performance-optimized technology makes the IMPREX® PRIME more valuable to customers. The IMPREX® PRIME, built with high-end computing in mind, provides business owners with the processing power needed to improve business efficiency and speed up customer services.

Main specifications:

Display
Display diagonal: 15 "
Display resolution: 1024 x 768 pixels
Touchscreen: Y
Display brightness: 250 cd/m²
Touchscreen technology: Capacitive

Processor
Processor frequency: 2 GHz
Processor family: Intel Celeron

Processor model:	J1900
Processor cores:	4
Processor cache:	2 MB
Processor threads:	4

Memory
Internal memory:	2 GB
Internal memory type:	DDR3L-SDRAM

Storage
Total storage capacity:	64 GB
Storage media type:	SSD
Hard drive size:	2.5 "
Solid-state drive capacity:	64 GB

Graphics
Graphics adapter manufacturer:	Intel
Graphics adapter:	HD Graphics

Multimedia
Built-in speaker(s):	Y
Number of speakers:	2

Networking
Ethernet LAN:	Y

Ports & interfaces
Ethernet LAN (RJ-45) ports:	2
VGA (D-Sub) ports quantity:	1
Line-out:	Y
Microphone in:	Y
DC-in jack:	Y

Design
Colour of product:	White

Operational conditions
Operating relative humidity (H-H):	10 - 80 %
Operating temperature (T-T):	0 - 50 °C
Storage temperature (T-T):	-20 - 80 °C
Storage relative humidity (H-H):	10 - 80 %

Certificates
Certification:	CE, FCC, KC

Weight & dimensions
Width:	364 mm
Depth:	285 mm
Height:	382 mm
Weight:	9400 g

Packaging data
Package width:	460 mm
Package depth:	470 mm
Package height:	470 mm
Package weight:	12500 g
