SLIM & LIGHT

Galaxy TabPro S fits perfectly into a streamlined lifestyle. Looking every inch the part, its sleek, lightweight form makes for a capable companion to your every day.

STYLISH PROTECTION

For a life on the go, these dedicated book covers are must-have accessories. Their premium leather-like finish takes on the wear and tear of daily travels with purpose and grace.

sAMOLED TOUCH DISPLAY

The 12-inch touchscreen is big enough for your Galaxy TabPro S to serve as a fully functional mobile office. And when you want to unwind, the beautiful sAMOLED display becomes your very own movie theater.

OPTIMIZED VIEWING EXPERIENCE

Colors are brighter and better on the high resolution display. They're also incredibly accurate so whether you're watching videos or going through photos, everything looks undeniably good.

XBOX ONE GAME STREAMING

With the ability to stream Xbox One games to your Galaxy TabPro S, you can literally take your gaming places.

WINDOWS APPS

Hundreds of thousands of apps right at your fingertips. Whether it's to watch your favorite show, get the weather forecast for your next holiday destination or to learn to code, it's there in the Windows Store.

LEADING PERFORMANCE

Windows 10 and the latest Intel Core M processor is a winning combination giving you the means, the power and the speed to do heavy-duty work whenever, wherever.

FULL-SIZE KEYBOARD & TOUCHPAD

The keys are significantly bigger than those on island-style keyboards meaning that whatever you do, you'll do it more efficiently and with much more ease. You'll have little reason to settle for any less.

GALAXY CONTINUITY

Take things to a whole new level by pairing your Galaxy phone to Galaxy TabPro S via Bluetooth. You can use your phone, for instance, as a secure authentication tool. To keep things running smoothly, continuity features will be updated regularly.

2-IN-1

The Galaxy TabPro S is the only device you'll need in your bag. As powerful as a laptop and as mobile as a tablet, it's your most efficient workstation yet.

BATTERY LIFE & CHARGING

Our innovative battery technology makes sure you can focus on the task at hand. Taking just two and a half hours to

reach full charge, you have up to 10 hours of work and play. And with the USB Type-C connector, charging and data transfer is streamlined and fast.
