Make your favourite headphones wireless

Easy to use and impressively versatile

Once paired, you can listen to quality audio and talk with total wireless freedom, anywhere. Use the comfortable Sony earphones included, or connect your own set using the 3.5mm jack.

Hands-free flexibility

Quickly activate voice commands

Control your music, chat with your friends and enlist the help of Google or Siri, all with just the touch of a button.

Every detail matters

From how you wear it to how you use it - this is design at its finest.
