Xperia XA2 Ultra

The ultimate dual selfie camera smartphone with an impressive 6" display made for big-screen entertainment.

The dual camera for selfies

Introducing the Sony smartphone with two selfie cameras. Get the best shot in any situation: day, night, alone or with friends, the Xperia XA2 Ultra has a 16MP camera for low light images and an 8MP camera for super wide group selfies.

Super clear selfies

Take sharper, brighter photos even in low light with a 16MP camera, the Exmor RS for mobile sensor, and Optical Image Stabilisation.

Super wide selfies

Fit more friends in and take the ultimate group selfie with a 120° super wide-angle 8MP camera and the Exmor R for mobile sensor.

Your finest photos in 23MP

Take exceptional photos and videos with a 23MP camera developed by Sony experts. Capture all the detail with an Exmor RS for mobile sensor and 4K video recording

Big-screen entertainment with a 6" display

The Xperia XA2 Ultra offers an immersive experience for all your entertainment needs. Lose yourself in a huge 6" full HD screen that reveals a wide range of vivid colours and detail.

The right settings for every song

Enjoy audio that's built on Sony expertise. Our Smart Amplifier technology, backed up by ClearAudio+ and Clear Bass fine-tunes your sound so every note is clear.

Rich sound quality

Listen to your music loud and clear with Smart Amplifier technology.

Clear and balanced sound

ClearAudio+ delivers an immersive, enriching audio experience at a single touch.

Powerful bass without distortion

Deep lows and bass notes have more impact with Clear BASS.

Beautiful yet tough design

The durable Corning® Gorilla® Glass display and metallic back panel create a design that's both durable and easy on the eye. An integrated fingerprint sensor unlocks your phone instantly at your touch.

A battery that's built to last

Get more from your phone with a high-capacity 3,580 mAh battery. It lasts and stays healthy for longer with smart charging technologies.

Super smooth performance for movies and games

The Xperia XA2 Ultra is designed to keep up with you with a fast and efficient Qualcomm® Snapdragon 630 Mobile Platform. Playing games or watching movies, it gives a super-smooth performance.

Learns and adapts to you

The more you use the Xperia XA2 Ultra, the more it learns about you. Using smart technology, it gives Xperia Tips and Actions to help make your life easier.
