Xperia XA2

Powerful 23MP camera smartphone featuring borderless design and perfect hand fit.

Capture life's beauty

Take your best shots yet. Our 23MP camera features an Exmor RS for mobile sensor and 4K video recording to give you outstanding colour and clarity, even in lowlight.

Say "super wide selfie"

Fit lots of friends and more of the scenery into your selfie with a 120° super wide-angle 8MP camera.

Designed to fit your hand

The Xperia XA2 has a 5.2" full HD display with a borderless design, taking the screen right to the edge, and a perfect fit for your hand.

One-touch fingerprint sensor

Unlock with a simple touch thanks to the integrated fingerprint sensor, making sure only you can access your phone.

Durable Corning® Gorilla® Glass

Made with durable Corning® Gorilla® Glass, the Xperia XA2 display has a quality finish that offers uncompromised clarity.

The right settings for every song

Enjoy audio that's built on Sony expertise. Our Smart Amplifier technology, backed up by ClearAudio+ and Clear Bass fine-tunes your sound so every note is clear.

A battery that's built to last

Enjoy your smartphone for longer with a high capacity 3,300 mAh battery. Smart charging technologies help keep your battery healthier for the long term.

Packed with the power you need

Browsing the web or playing games? The Xperia XA2 uses the Qualcomm® Snapdragon 630 Mobile Platform for a super-smooth and speedy performance.

Learns and adapts to you

The Xperia XA2 uses smart technology to learn how you use your phone. Then Xperia Actions helps optimise your settings, while Xperia Tips gives you handy hints to get more from your phone.

Main specifications:
