The Xperia XZ2 Compact is designed to be the ultimate entertainment device. Whether you're recording breathtaking videos in 4K HDR, or watching films in HDR, the Xperia XZ2 Compact delivers big screen entertainment in the palm of your hand.

Designed to fit your hand

Crafted to perfection, the 5" Xperia XZ2 Compact delivers a beautiful curved body and durable frosted finish that fits perfectly in your pocket.

World's first 4K HDR Movie recording in a smartphone

Discover the world's first 4K HDR Movie recording in a smartphone. With more contrast, colour and detail in every scene, your videos will be closer to cinema quality.

Ultimate entertainment in a compact

Bring your favourite shows to life in stunning realism with a Full HD+ HDR display. And with powerful stereo speakers, you can share your videos with more of your friends.

Sounds from the studio

Enjoy superior sound with the Xperia XZ2 Compact. High-Resolution Audio3 gives you the best possible quality and LDAC means everything sounds great even if you're listening wirelessly. Plus, powerful stereo speakers let you share your music and movies with friends.

Our fastest processor yet

The Xperia XZ2 Compact's Qualcomm® Snapdragon 845 Mobile Platform delivers world-class speed and performance. From smooth gaming to fast streaming, it means no more waiting.

A battery that lasts longer

To bring you even more entertainment throughout the day, the Xperia XZ2 Compact battery is built to last. Smart Stamina works ahead of time to keep you powered up for longer, while Qnovo Adaptive Charging and Battery Care give your battery a longer lifespan.

Main specifications:
