## The best of both worlds

Listen to a favourite song and order a coffee at a café, or participate in a conference call and hear the track number for your train. Discover a totally new dual listening style. Fitting comfortably around your ear, Open-ear Stereo Headset STH40D doesn't block the ear canal, so you can hear your favourite music and the sounds of your environment simultaneously. With Open-ear Stereo Headset STH40D, you can enjoy the best of both worlds.

## Easy to use

### Functionality at your fingertips

With an easy access remote control, you can manage your music and calls with simple multi-function keys. Plus, once you've activated voice controls at the touch of a button, you can enlist the help of Google or Siri2

## Perfect fit

Open-ear Stereo Headset STH40D fits comfortably around your ear and is so small and lightweight you'll forget you're even wearing it
