iPhone 7 Case Crystal Shell

Disguise your protective needs with Crystal Shell! While the combination of a flexible bumper and a hard PC ensures ultimate protection, its transparency diminishes every trace of a heavy-duty look without losing its slim and lightweight profile. Its PC back promotes a new generation of long-lasting clarity with no yellowing overtime. The bumper and buttons are purposely pronounced to ensure button responsiveness along with a comfortable grip. Take the Crystal Shell to the next level by showing your personality through its clear casing!
