The Ultra Hybrid 2 features reinforced camera protection and buttons but with the same clarity and protection as its first! Its hybrid makeup is perfect for clear-case enthusiasts that long to enjoy long-lasting clarity with all-around protection. The new and improved PC back is designed to leave no watermarks while maintaining its crystal clear back over time. Each corner is guarded with Air Cushion Technology while the bumper still remains strategically raised to steer clear from contact during impacts.

- Everyday durability packed in a two-part design for slimness
- Consists of a shock-absorbent TPU layer and rigid bumper frame
- Fingerprint-resistance with soft, matte black surface
- Compatible with Spigen GLAS.tR Slim screen protector and iPhone 8
- Reliable mil-grade drop protection for everyday impact
