Slim. Streamline. Sleek. The Thin Fit 360 is tailored to encase your iPhone 7 with premium 360 coverage with ultra-thinness. The secret to its durable yet 0.76cm thickness is that it is constructed of hard PC shells. Its split-type body was precisely engineered to join together and combat everyday scratches. Tempered glass protection keeps the screen protected without having to sacrifice an inch of 3D-Touch compatibility and screen clarity. Armor up with the slim Thin Fit 360 to enjoy optimum coverage with unbeatable thinness.

*This case is QNMP Compatible and supports magnetic car mounts.
