The Ultra Hybrid 2 features reinforced camera protection and buttons but with the same clarity and protection as its first! Its hybrid makeup is perfect for clear-case enthusiasts that long to enjoy long-lasting clarity with all-around protection. The new and improved PC back is designed to leave no watermarks while maintaining its crystal clear back over time. Each corner is guarded with Air Cushion Technology while the bumper still remains strategically raised to steer clear from contact during impacts.

- Ultra Hybrid 2 features reinforced camera protection and buttons for haptic feedback
- PC back stays watermark-resistant with zero yellowing over time
- TPU bumper frame is strategically raised to give extra protection in screen and camera
- Mil-Grade Protection with Air-Cushion Technology in all corners
- iPhone 7 Case Compatible with iPhone 7 (2016) and iPhone 8 (2017)
