Seeking to protect your device with extreme style? The Rugged Armor for the Samsung Galaxy S8 is a thin shell that is packed with heavy duty protection. For optimum shock-absorption, the inside is lined with our usual spider web pattern along with Air Cushion Technology in every corner. The Rugged Armor comes with its signature sleek, which contains its carbon fiber textures with a matte finish. Precise cutouts ensure easy access to all features while tactile buttons ensure haptic feedback. Encase your new Samsung Galaxy S8 with the Rugged Armor!
