AirSkin® redefines minimalism with an air-light frame design for anyone preferring the feel of having no case on. The secret to its extremely slim, scratch-resistant surface is a material that embodies both - polypropylene. Cutouts made with utmost precision offer quick access and further preserving the original device experience. Keep things minimal with AirSkin®.

- Unbeatable thinness to maintain the feel of the original phone
- Lightweight but rigid polypropylene offers scratch protection
- Form-fitted design keeps the Galaxy S9 slim and pocket-friendly
- All black finish offers fingerprint-resistance and everyday comfort
- Compatible with the case-friendly Neo Flex® screen protector
