Pro Guard takes protection to an extreme. The four-layer structure provides shock absorption all around with added coverage along the rim and top notch. Its rugged but ergonomic design is perfected with detailing's in texture and contours that cut unnecessary bulk. Further precision is found in every cutout and button, as well as a protective glass designed exclusively for the Pro Guard.

- Four-layer design for heavy-duty protection
- Shock-absorbent exterior with protective interior
- Front frame adds extra coverage along the top notch
- Comes with 2 custom-fit glass screen protectors
- Quick access with precise cutouts and responsive buttons
