The all-new Hybrid 360 brings rugged defense with crystal clarity into a reality. With hybrid technology, the frame joins a clear back for long-lasting display of the device with a bumper frame to handle all impact with a slim profile. The front frame comes built-in with a screen to further resist any unwanted contact. Every inch of the frame is bolstered with rugged detailing while the side features an exclusive grip design for security. Give the protection your Samsung Galaxy S9 with the exclusive Hybrid 360.

- Full 360 defense with a slim two-part front and back design
- Long-lasting clarity and zero yellowing with clear rigid PC back
- Textured detailing on buttons for easy touch recognition
- Built-in screen protector handles all unwanted impact on screen
- Touch responsive screen and buttons for quick access
